10. Fascination (02:55)

Recorded in February 1958 in Athens

(c) 2005

Performer : Nana Mouskouri

Music : Fermo Marchetti

Lyrics : Dick Manning

It was fascination, I know
And it might have ended right then at the start
Just a passing glance, just a brief romance
And I might have gone on my way empty-hearted
It was fascination, I know
Seeing you alone with the moonlight above
Then I touched your hand and next moment
I kissed you

Fascination turned to love
It was fascination, I know
Seeing you alone with the moonlight above
Then I touched your hand and next moment I kissed
you
Fascination turned to love
