01. **A Day in the Life of a Fool (03:43)**
Performer : Nana Mouskouri
Music : L. Bonfá
Lyrics : A. Maria / C. Sigman

A day in the life of a fool
A sad and a long lonely day
I walk the avenue
And hope I'll run into
The welcome sight of you
Coming my way

I stop just across from your door
But you're never home any more
So back to my room
And there in the gloom
I cry tears of good bye

Till you come back to me
That's the way it will be
Every day in the life of fool

I stop just across from your door
But you're never home any more
So back to my room
And there in the gloom
I cry tears of good bye
Till you come back to me
That's the way it will be
Every day in the life of fool

02. The Wind Beneath My Wings (05:01)

Performer : Nana Mouskouri
Music : Jeff Silbar
Lyrics : Larry Henley

It must have been cold there in my shadow
To never have sunlight on your face
You were content to let me shine, that's your
way
You always walked a step behind

So I was the one with all the glory
While you were the one with all the strength
Beautiful face without a name for so long
A beautiful smile to hide the pain

Did you ever know that you're my hero
And everything I would like to be
I can fly higher than an eagle
'Cause you are the wind beneath my wings

(The wind beneath my wings)

It might have appeared to go unnoted
(The wind beneath my wings)
But I've got it all here in my heart
(The wind beneath my wings)
I want you to know I know the truth, of course I
know

I would be nothing without you

Did you ever know that you're my hero
You're everything I wish I could be
I can fly higher than an eagle
'Cause you are the wind beneath my wings

Did I ever tell you you're my hero
You're everything, everything I wish I could be
And I, I can fly higher than an eagle
For you are the wind beneath my wings
'Cause you are the wind beneath my wings

Fly, fly, fly away away
You let me fly so high
Fly, fly
The wind beneath my wings,
The wind beneath my wings
Fly, fly
So high I get through the sky
So high I almost touch the sky
Thank you, thank you
Thank God for you, the wind beneath my wings

03. Autumn Leaves (05:07)

Performer : Nana Mouskouri
Music : Joseph Kosma
Lyrics : Jacques Prévert / Johnny Mercer

Autumn leaves fall and are swept out of sight
The words that you said have gone too
Autumn leaves fall and are swept out of sight
So are the memories of love that we knew

The wind of forgetfulness blows then
Into the night of regret,
The song you would often sing
Is echoing, echoing yet

The falling leaves drift by the window
The autumn leaves of red and gold
I see your lips, the summer kisses
The sun-burned hands I used to hold

Since you went away, the days grow long
And soon, I'll hear old winter's song
But I'll miss you most of all, my darling,
When autumn leaves start to fall
When autumn leaves start to fall

04. Over the Rainbow (03:46)

Performer : Nana Mouskouri
Music : Harold Arlen
Lyrics : E. Y. Harburg

Somewhere over the rainbow way up high
There's a land that I heard of once in a lullaby
Somewhere over the rainbow skies are blue
And the dreams that you dare to dream really do
come true

Someday I wish upon a star
And wake up where the clouds are far behind me
Where troubles smelled like lemon drops
Way above the chimney tops
That's where you'll find me

Somewhere over the rainbow blue birds fly
Birds fly over the rainbow
Why then, oh why can't I

Somewhere over the rainbow blue birds fly
Birds fly over the rainbow
Why then, oh why can't I

If happy little blue birds fly beyond the
rainbow
Why, oh why can't I

05. How Do You Keep the Music Playing (03:50)

Performer : Nana Mouskouri / Harry Belafonte
Music : M. Legrand
Lyrics : M. & A. Bergman

How do you keep the music playing
How do you make it last
How do keep the song from fading
Too fast

How do you lose yourself to someone
And never lose your way
How do you not run out of new things
To say

And since you know we're always changing
How can it be the same
And tell me how year after year
You're sure your heart will fall apart
Each time you hear
Her name

I know the way I feel for you
It's now or never
The more I love the more that I'm afraid
That in your eyes I may not see forever
Forever

If we can be the best of lovers
Yet be the best of friends
If we can try with every day
To make it better as it goes
With any luck than I suppose
The music never ends

I know the way I feel for you
It's now or never
The more I love the more that I'm afraid
That in your eyes I may not see forever
Forever

If we can be the best of lovers
Yet be the best of friends
If we can try with every day
To make it better as it goes
With any luck than I suppose
The music never ends

Never ends
Never ends
Never...

06. The Summer Knows (03:37)

Performer : Nana Mouskouri
Music : Michel Legrand
Lyrics : Marilyn & Alan Bergman

The summer smiles the summer knows
And I'm ashamed she shared so close
The summer smooth the restless kind
And lovingly she walks the side on which you lie

The summer knows the summer is wise
She sees the doubt within your eyes
And so she takes her summer times
Tells the moon to wait and the sun to linger
Twists the world around her summer finger

Let you see the wonder of it all
And if you learned your lesson well
There's little more for her to tell
One last caress it's time to dress for fall

And if you learned your lesson well
There's little more for her to tell
One last caress it's time to dress for fall
It's time to dress for fall

07. My Own True Love (03:10)

Performer : Nana Mouskouri
Music : Max Steiner
Lyrics : Mack David

My own true love, my own true love
At last I found you, my own true love
No lips but yours, no arms but yours
We'll live eternally through heaven's door

I roam the earth in search of this
I knew I'd know you, know you
By your kiss, by your kiss

You've showed true love
I'm yours forever, my own true love

I roam the earth in search of this
I knew I'd know you, know you
By your kiss, by your kiss
You've showed true love
I'm yours forever, my own true love

08. Falling in Love Again (03:03)

Performer : Nana Mouskouri
Music : Fredrich Hollander
Lyrics : Fredrich Hollander

Falling in love again
Never wanted to
What am I to do?
Can't help it

Love's always been my game
Play it how I may
I was made that way
Can't help it

Men cluster to me like moths around a flame
And if their wings burn, I know I'm not to blame

Falling in love again
Never wanted to
What am I to do?
Can't help it

Men cluster to me like moths around a flame
And if their wings burn, I know I'm not to blame

Falling in love again
Never wanted to
What am I to do?
Can't help it

09. The Way We Were (03:36)

Performer : Nana Mouskouri
Music : Marvin Hamlisch
Lyrics : Marilyn & Alan Bergman

Memories like the corners of my mind
Misty water call of memories of the way we were
Pictures of the smiles we left behind
Smiles we gave to one another for the way we were

Can it be that it was all so simple then
Or as diary written every line
If we had the chance to do it all again
Tell me would we could we

Memories may be beautiful and yet

What's too painful to remember
We simply choose to forget
So it's the laughter we will remember
We never will remember the way we were

Memories may be beautiful and yet
What's too painful to remember
We simply choose to forget
So it's the laughter we will remember
We never will remember the way we were
The way we were

10. Smile (03:05)

Performer : Nana Mouskouri
Music : Charles Chaplin
Lyrics : John Turner / Geoffrey Parsons

Smile though your heart is aching
Smile even though it's breaking
When there are clouds in the sky you'll get by
If you smile through your fear and sorrow
Smiling maybe tomorrow
You'll see the sun come shining through for you

Light up your face with gladness
Hide every trace of sadness
Although a tear may be ever so near
That's the time you must keep on trying

Smile, what's the use of crying
You'll find that life is still worthwhile
If you just smile

Light up your face with gladness
Hide every trace of sadness
Although a tear may be ever so near
That's the time you must keep on trying
Smile, what's the use of crying
You'll find that life is still worthwhile
If you just smile

11. As Time Goes By (03:29)

Performer : Nana Mouskouri
Music : Herman Hupfield
Lyrics : Herman Hupfield

You must remember this, a kiss is just a kiss
A sigh is just a sigh
The fundamental things apply, as time goes by
And when two lovers woo, they still say "I love you"
On that you can rely
No matter what the future brings, as time goes by

Moonlight and love songs, never out of date
Hearts full of passion, jealousy and hate
Woman needs man, and man must have his mate
There's no one can deny
It's still the same old story, a fight for love and glory
A case of do or die
The world will always welcome lovers, as time goes by

Moonlight and love songs, never out of date
Hearts full of passion, jealousy and hate
Woman needs man, and man must have his mate
There's no one can deny
It's still the same old story, a fight for love and glory
A case of do or die
The world will always welcome lovers, as time goes by

12. Laura (03:30)

Performer : Nana Mouskouri
Music : David Raksin
Lyrics : Johnny Mercer

Laura is the face in the misted light
Footsteps that you hear down the hall
The love that floats on a summer night
That you can never quite recall

Have you see Laura on the train that is passing
through
Those eyes, how familiar they seem

She give your very first kiss to you
That was Laura, but she's only a dream

Have you see Laura on the train that is passing
through
Those eyes, how familiar they seem
She give your very first kiss to you
That was Laura, but she's only a dream

13. Beauty and the Beast (04:14)

Performer : Nana Mouskouri / Harry Belafonte
Music : Alan Menken
Lyrics : Howard Ashman

Tale as old as time True as it can be Barely even friends Then somebody bent unexpectedly	Ever as before And ever just assure As the sun will rise	Finding you can change Learning you were wrong Certain as the sun Certain as the sun Rising in the east
Just a little change Small to say the least Both a little scared Neither one prepared Beauty and the beast	Ever just the same Ever as surprised Ever as before And ever just assure As the sun will rise	Tale as old as time Song as old as rhyme Beauty and the beast
Ever just the same Ever as surprised	Tale as old as time Tune as old as song Bitter, sweet and strange	Tale as old as time Song as old as rhyme Beauty and the beast Beauty and the beast

14. The Windmills of Your Mind (03:42)

Performer : Nana Mouskouri
Music : Michel Legrand
Lyrics : Marlyn & Alan Bergman

Round like a circle in a spiral Like a wheel within a wheel Never ending or beginning On a never spinning wheel	Whirling silently in space Like the circles that you find In the windmills of your mind
Like a snowball down the mountain Or a carnival balloon Like a carousel that's turning Running rings around the moon	Keys that jingls in your pocket Words that jungle in your head Why did summer go so quickly Was it something that you said Lovers walk along the shore And leave their foot-prints in the sand Is the sound of distant drowning Just the fingers of your hand
Like a clock whose hands are swinging As the minutes on its face And the world is like an apple Whirling silently in space Like the circles that you find In the windmills of your mind	Pictures standing in the hallway And the fragment of a song Half remembered things and faces But to whom do they belong When you knew that it was over In the autumn of goodbyes For a moment you could not recall The color of his eyes
Like a tunnel that you follow To a tunnel of its own Down the highway to a cavern Where the sun has never shone Like a door that keeps revolving In a half forgotten dream Of the ripples from a pebble Someone tosses in the stream	Like a circle in a spiral Like a wheel within a wheel Never ending or beginning On a never spinning wheel As the images so wide Like the circles that you find In the windmills of you mind
Like a clock whose hands are swinging As the minutes on its face And the world is like an apple	

15. High Noon (04:56)

Performer : Nana Mouskouri
Music : Dimitri Tiomkin
Lyrics : Ned Washington

Do not forsake me, oh my
darling
On this our wedding day
Do not forsake me, oh my
darling
Wait, wait along

I do not know what fate awaits
me
I only know I must be brave
And I must face a man who hates
me
Or a liar coward
A grieving coward
Or a liar coward in my grave

Oh to be torn with love and
beauty

Supposing I lose my fair haired
beauty

Look at the big hand move along
Near in high noon
He may live out while in a
state prison
Proud it will be my life for
his
I'm not afraid of death at all
What will I do if you leave me

Do not forsake me, oh my
darling
You made that promise as a
bride
Do not forsake me, oh my
darling
Although you're grieving

Don't think of leaving
Now that I need you by my side

Do not forsake me, oh my
darling
You made that promise as a
bride
Do not forsake me, oh my
darling
Although you're grieving
Don't think of leaving
Now that I need you by my side

Wait along

16. Hollywood Medley (promo TV) (05:06)

Performer : Nana Mouskouri
